

Congratulations!

You are a 2018 Best Builder.

Your commitment to excellence has earned you a spot in *D Home's Best Builders in Dallas 2018* feature.

We asked builders in our online directory to nominate three of their peers for recognition. A panel of experts in the home building industry helped vet the nominees. Our editors then reviewed the winners to make sure all companies are local, operational and in good standing.

Winners will be published in the May/June issue.

In the coming weeks, keep an eye out for official materials in the mail, including a letter from our editor, a certificate, and an invitation to our Best Builders celebration. We hope to congratulate you in person at the event!

***D Home* kindly asks all winners to wait until the issue is on newsstands to publicize this achievement.**
